JOGINDRA CHANDRA CHAKRAVARTI,

Liquidator.

Registered Head Office, Dinajpur town, the 11th March 1941.

Annexure "B".

The Dinajpur Trading & Banking Co., Ltd. (in liquidation).

Proposed Scheme of Arrangement between the Company and its creditors.

1. The creditors will be divided into two groups, namely, those whose deposits are either up to or below Rs. 100 and those whose deposits are above Rs. 100, as on the 1st January 1941 exclusive of interest.

2. As regards the depositors who fall under the category of class (1), that is to say, whose claims are up to or below Rs. 100, they will give up (a) the interest accrued due at 3 per cent. per annum during the period for which the scheme has been under operation and in the next place four annas in the rupee. They will be paid the balance of twelve annas in the rupee in cash.

3. As regards class (2), that is to say, depositors whose deposits amount to over Rs. 100, they will give up (a) all interest accrued due during the period the scheme has been in operation and also three annas in the rupee on the amount of their deposits as on the 1st January 1941. Of the balance the liquidator will pay 6¼ annas in the rupee on the amount of the deposits as on the 1st January 1941 in cash. The balance of the amount due to them will be paid to them up to the nearest 10 rupees by allotment to them of redeemable cumulative preference shares and ordinary shares in the Company in the proportion of 1 to 2, that is to say, 1/3rd of the amount will be paid by allotment of redeemable cumulative preference shares carrying dividend at 3 per cent. per annum of Rs. 10 each redeemable at the end of 20 years and 2/3rds of the total amount by allotment to them of fully paid up ordinary shares of Rs. 10 each. The balance will also be paid for in cash.

4. That the capital of the Company be increased to Rs. 5,00,000 of which Rs. 83,040 should be in the shape of redeemable preference shares of Rs. 10 each and while the balance will be in the shape of ordinary shares of Rs. 10 each. The existing shares of Rs. 25 will be reduced so as to bring them all to the face value of Rs. 10 each.

5. That for the purpose of redeeming the redeemable preference shares, the Company will create a reserve fund to be called "The Capital Redemption Reserve Fund" in which shall be let apart from out of the profits of the Company and/or the sale proceeds of the assets of the Company a sum equivalent to 5 per cent. of the total amount of the redeemable shares.

6. That the winding up be permanently stayed.

Annexure "A".

Proposal of the liquidator.

A proposal for reconstructing the Company under section 215 of the Indian Companies Act.

	Rs.
Cash in the liquidator's hand—	
On account of the suit against the Albert Hall, received from the High Court ...	3,24,594
Cash in hand from other sources (more or less)	21,000
Total ...	3,45,594

Out of this amount some amount will have to be kept in hand for defraying the necessary expenses of the Company and the following arrangement is being made for paying up the dues of the creditors:—

The total amount due to the depositors as on 1st January 1941 according to the Company's books in accordance with the scheme under section 153—Rs. 6,28,125.

Interest at 3 per cent. on the same due according to the terms of the scheme—Rs. 1,64,466.

The value of the assets in the hands of the Company according to the valuation made on the 31st December 1940, according to the Company's books (without the Albert Institute) as revaluated now comes up to about Rs. 3,28,000.

But this is a valuation merely on paper. It is not possible to convert this asset into cash, either immediately or in the near future for the purpose of paying up the dues of the depositors. It is therefore necessary to make a suitable arrangement in such a manner that the Company may be maintained and saved and the amounts due to the depositors may not be entirely lost.

The liquidator has therefore proposed that first of all, out of the total amount of Rs. 6,28,125 due to the depositors he will pay each depositor at the rate of 6¼ annas per rupee, i.e., Rs. 40-10as. per cent. in cash.

The total amount of such payment will be—Rs. 2,55,176.

After this, the unpaid amount due will be—Rs. 3,72,949.

And interest—Rs. 1,64,466.

The liquidator is requesting the depositors to make a full remission of the interest due to them, namely—Rs. 1,64,466.

After this, the depositors are being divided into two classes:—

(1) Those whose deposits (principal) exceed Rs. 100 on 1st January 1941.

(2) Those whose deposits are up to Rs. 100 or less on that date.

(3) The total amount of the depositors of the first class is 537, and that of the second class is 376.

The total amount of deposits due to the depositors of the second class as on 1st January 1941 is—Rs. 14,907.

They are being paid at the rate of 6¼ annas per rupee—Rs. 6,056.

Balance will be Rs. 8,851.

The liquidator proposes that these depositors should remit an amount equal to 4 annas in the rupee on their deposits as on 1st January 1941, which comes up to Rs. 3,726.

The balance will be paid to them in full—Rs. 5,124.

In this way, the second class of the depositors will be paid in full. As regards the depositors of the first class, the liquidator proposes that after receiving payment at the rate of 6¼ annas in the rupee on their deposits, they will be pleased to remit an amount equal to 3 annas in the rupee on their deposits as on 1st January 1941, which comes up to—Rs. 1,14,978.

After this the amount which will be due to them at the rate of 6¼ annas in the rupee will amount to Rs. 2,49,120 and the liquidator requests them to purchase shares of the Company of this value.

Let the Company be reconstituted in the following manner:—

(1) The share capital of the Company be increased from one lakh to five lakhs of rupees.

(2) The value of the old shares of Rs. 25 each be reduced to Rs. 10 each.

(3) The depositors be given shares in the Company of the value of Rs. 2,49,120 in the following manner:—

(a) redeemable cumulative preference shares of Rs. 10 each on a guarantee dividend of 3 per cent. per year amounting in all to Rs. 83,040.

This amount of Rs. 83,040 is arrived at calculating at the rate of 2 annas 2 pies on each rupee of the deposits as on 1st January 1941.

(b) Ordinary shares of Rs. 10 each of the value of Rs. 1,64,040 which will be found to be the amount calculated at 4 annas 4 pies on each rupee of the deposits as on 1st January 1941.

As a result of this arrangement, the depositors having deposits above Rs. 100 are being paid up at 6¼ annas in cash, 3 annas by remission and 6¼ annas by shares. The total amount due to them will thus be considered to be paid up in 16 annas and the debts due to them will be considered to be paid up in full.

(c) A redemption fund to be called the Capital Redemption Reserve Fund will be opened for the purpose of redeeming the redeemable cumulative preference shares of Rs. 83,040. In this fund will be deposited from the annual profits of the Company and (or) from the amounts received by the sale of the Company's assets, a sum of the rate of 5 per cent. per annum on the value of the redeemable preference shares. In this way, Rs. 83,040 will be paid up in twenty years.

(d) In calculating the share of Rs. 10 each, the balance which will be less than Rs. 10 in the case of each depositor, will be refunded to such depositors in cash.

It is found from the books of the Company of the years 1939 and 1940 that the net profits of the Company from its assets come up to Rs. 5,000 annually. The same profits are expected in future also. Therefore dividend at the rate of 3 per cent. per annum on Rs. 83,040 may be assured. This proposal along with the proposed scheme marked B (annexed) will be placed at a meeting of the shareholders on the 30th March (Sunday) and if accepted by them, will again be placed at a meeting of the creditors to be held on Wednesday the 2nd April.

If the creditors agree to this proposal and accept it, the Company will be reconstituted accordingly. The shareholders will pass a resolution to the effect that if the creditors accept this proposal the winding up of the Company will be permanently stayed with effect from June 1941.

In the meantime, the liquidator will pay up the dues of the creditors according to the above proposal as far as possible.

The share capital of the newly constituted Company will be 5 lakhs of rupees. Out of this, the value of fully paid up shares will be—

	Rs.
Old	20,000
New	2,49,120
Total ..	2,69,120

The value of the assets of the newly constituted Company will be approximately Rs. 3,28,000.

GOVERNMENT OF BENGAL

DEPARTMENT OF PUBLIC HEALTH AND LOCAL SELF-GOVERNMENT.

Municipal.

Calcutta, the 31st March 1941.

RESOLUTION—No. 546M.

The situation created by the mal-administration of the Sirajganj Municipality (in the district of Pabna) has been under the notice of Government for some years past. Their attention was first drawn to the matter in January 1934 by the Commissioner of the Rajshahi Division, who in his note of inspection of the municipality, commented on its unsatisfactory financial position owing to poor collection of taxes. In June 1934, a warning was issued to the Municipal Commissioners that, if the collection of taxes did not improve within a reasonable time, Government would consider the question of taking over charge of the Collection Department under section 550 of the Bengal Municipal Act or of dissolving or superseding the Municipal Commissioners under section 552 or 553 of the Act, if necessary. The municipality was next inspected by the District Magistrate and the Divisional Commissioner in 1935; but as their reports revealed a still more unsatisfactory position, Government in their letter No. 1699-M., dated the 14th March 1936, gave another warning to the Municipal Commissioners that it might become necessary to supersede them unless they took adequate steps to improve the finances of the municipality on the lines suggested by Government.

2. In July 1937, the Divisional Commissioner, after inspecting the municipality, recommended that the Collection Department should be superseded, under section 550 of the Bengal Municipal Act, on the grounds that the Municipal Commissioners had not only persisted in making default in the performance of their duties in regard to the collection of rates, but had also shown their incapacity for accepting any adequate responsibility in the matter, and that, as a result of their inefficiency and mismanagement, the financial position of the municipality had become almost desperate. This recommendation was not accepted by Government as a general election of the municipality had then just been held, and Government considered it desirable to give the new body of Commissioners an opportunity of remedying the unsatisfactory position to which their predecessors had brought the affairs of the municipality. The new Municipal Commissioners were specially requested by Government to take vigorous steps for the realisation of the heavy outstanding dues

within a period of six months, and the local officers were asked to submit a report to Government as to the progress made by the new Board in the collection of arrears and in the improvement of the general administration of the municipality.

3. From the report of the local officers, which was submitted to Government in August 1939, it appeared that, in spite of the warning and the opportunity given by Government, the new Board had failed to bring about any improvement in the financial condition of the municipality or in its general administration although they had been in office for a period of a year and a half. The collection of taxes was still very unsatisfactory and the liabilities of the municipality were gradually increasing. The financial condition of the municipality was reported to have become so bad that the Municipal Commissioners were unable to pay regularly even the monthly salaries of their employees, but still they evinced no desire for taking any vigorous steps to restore the financial stability of the municipality. In view of the position as stated above, Government in their letter No. 71T.M., dated the 18th October 1939, asked the Municipal Commissioners to show cause within three months against the supersession of the Assessment and the Collection Departments of the municipality.

4. Government have given their most careful consideration to the explanations submitted by the Municipal Commissioners. The condition of the municipality was examined in detail by the Subdivisional Officer, who inspected the municipality in May 1940, and the Subdivisional Officer's report was forwarded to Government in August 1940 with the views of the District Magistrate and the Divisional Commissioner. Government regret to have to observe that the Municipal Commissioners have not been able to give any satisfactory explanation for the charges of mal-administration brought against them. Collection has not appreciably improved and the so-called improvement claimed to have been effected by the Municipal Commissioners is illusory inasmuch as it was achieved mainly by the liberal grant of reduction and exemptions. The liabilities of the municipality increased from about Rs. 7,400 in 1937, when the present Municipal Commissioners came to office, to nearly Rs. 30,000 on the 31st March 1940. The burdens of the municipality were thus increased by about Rs. 23,000 within a period of three years although no new works were undertaken by the municipality. The Municipal Commissioners have made no attempt to enhance the rates of assessment or to adopt any other method for improving the finances of the municipality, nor has any serious attempt been made to reduce the high expenditure on establishment which is out of all proportion to the receipts of the municipality. The steps taken by the Municipal Commissioners to impose a lighting rate and taxes on trades and professions and on places of public entertainment as well as the revision of assessment undertaken last year are not expected to bring about any material improvement in the financial position of the municipality, while the reduction of expenditure on roads and on the pay of establishment claimed to have been made by the Municipal Commissioners has been only nominal.

5. The extent of the financial chaos of the municipality is evident from the fact that the Municipal Commissioners have been unable to maintain the statutory minimum closing balance prescribed under the Account Rules, the balances left at the close of the years 1937-38, 1938-39 and 1939-40 being only Rs. 705, Rs. 361 and Rs. 328, respectively. The stipends of the teachers of the primary schools for the third and fourth quarters of the year 1939-40 remained unpaid even on the 16th August last. The Sirajganj Hospital was not able to pay its staff for three months in August last as the municipality was in arrears to the hospital to the extent of Rs. 3,000, representing one year's contribution. The hospital was reported to have completely exhausted its credit with suppliers of medicine and it only avoided a breakdown by borrowing from some non-official sources. The municipality is also reported to have owed a considerable amount to the local lighting company. The last inspection note of the Assistant Director of Public Health revealed serious deficiencies, and the municipality has not also been able to make any progress in the matter of primary education.

6. In November last, Government gave a further opportunity to the Municipal Commissioners to retrieve the situation. But the Municipal Commissioners at their meeting, held on the 23rd November 1940, passed a resolution expressing their inability to enforce coercive measures for improving their finances owing to what they characterised as "the abnormal situation due to the war and the bankrupt state of the jute market." The Municipal Commissioners at the same time decided to call a special meeting within a month to explore the possibilities of enhancing their income and also of reducing the expenditure, but no report has yet been submitted to Government whether any practical steps have been taken to improve the situation. The term of office of the present body of Municipal Commissioners is due to expire in October next. But in view of the present unsatisfactory condition of the municipal administration, Government are of opinion that no real improvement in the situation will be achieved by holding a general election.

7. After a very careful consideration of the whole matter Government have come to the conclusion that the Commissioners of the Sirajganj Municipality have shown their incompetency to perform, and have persistently made default in the performance of, the duties imposed on them by or under the Bengal Municipal Act, 1932. In exercise of the power conferred by section 553 of the said Act, Government are accordingly pleased to declare the Commissioners of the Sirajganj Municipality to be incompetent and in default and to supersede the said Commissioners for a period of two years from the 1st April 1941.

8. Ordered that this resolution be published in the *Calcutta Gazette*.

By order of the Governor,

T. I. M. NURANNABI CHAUDHURI,
Secy. to the Govt. of Bengal.

NOTIFICATION.
